EDNA diary (tick if you had the test, or write down your results in the boxes)				
EDNA tests I had done	**Date of clinic visit**			
1. Ask you "How is your vision in the untreated eye, compared with the last visit?"				
2. Amsler test (grid)				
3. Visual acuity (letter chart) Number of letters				
4. Clinician examination of the eye (photo/microscope)				
5. OCT scan				
➢ Fluorescein scan
