

A message from the Chief Investigators

Kirkcaldy (led by Mr Richard Chapman) opened to recruitment in July. Welcome to the PARTIAL team and good luck with recruitment! We now have 32 sites open for PARTIAL across England, Scotland and Wales and 21 of these sites have recruited at least one participant. Four sites recruited their first participant in the last 2 months which is fantastic news. We hope to see more sites recruiting their first participants in the next few months – do get in touch if there is anything we can do to support you.

Professor Naeem Soomro and Professor Rakesh Heer

Data queries:

Most sites will have received data queries in July. If you haven't already done so, let us know once the queries have been addressed so that we can review and close these out. We can only make payment for completed study activities if all the relevant CRFs are complete and the data queries on these CRFs are closed. Congrats to Newcastle, Canterbury, Coventry, Exeter, Eastbourne, Sunderland, Edinburgh, Glasgow, Leicester, Cardiff, Wirral and Oxford for having no outstanding data queries!

Invoicing for study activities completed:

If you would like to raise an invoice, please get in touch with partial@abdn.ac.uk in the first instance to confirm the amount that can be claimed.
