

A message from the Chief Investigators

Thanks to everyone who attended the PARTIAL Investigator Meeting on the 10th September. It was good to see so many of you there and to share experiences across sites. **We are 25% to our overall recruitment target** which is excellent news! We are also about a month behind the revised targets for the study, so do keep recruiting! And as always, thank you for continuing to do your best to recruit and do get in touch if we can help.

Professor Naeem Soomro and Professor Rakesh Heer

Looking at recruitment over the last 3 months (July-September 2024):

Wolverhampton recruited the 100th participant!
Well done!

	Site	PI	Recruitment (Jul-Sep 2024)

Recruitment **actual** (on 19 Sep 2024): 106
Recruitment **target** (on 30 Sep 2024): 120

Only 14 more participants needed to reach September 2024 target!!

Congratulations to Exeter, Plymouth and Edinburgh for recruiting two participants each in quick succession!

Clinic/screening logs

Some sites haven't updated their clinic/screening logs in a few months on the study database. If you could please bring these up to date these that would be appreciated!

Updated/new recruitment and baseline paperwork – for implementation 18/9/24

Updated copies of the PIL (V5), decision-making tool (PIL supplement, V2), consent form (V1, but referring to V5 of the PIL) and baseline questionnaire (V2) were sent out to sites on 6th September for the **18th September implementation date**. Please ensure previous versions of the PIL, decision-making tool, consent form and baseline questionnaire are destroyed and notify partial@abdn.ac.uk to confirm this has been done if not already done so. New paperwork can be used from the 18th September.
